Breast pump benefits and reimbursements

Healthy Blue offers the benefit of a consumer grade (E0603) electric breast pump for members who are due to deliver within six weeks, members who have delivered within the past 30 days and members who had a NICU baby in the last 90 days. Members can receive one breast pump with a delivery diagnosis and a prescription.

Effective May 15, 2021, Healthy Blue will begin reimbursing providers/suppliers of consumer grade breast pumps (E0603) at the lesser of billed charges or a rate of up to \$95/unit.

As a valued provider, your participation in the Healthy Blue network is truly appreciated. We look forward to our ongoing partnerships to provide high-quality, cost-effective healthcare to the communities we serve.

If you have any further questions, please contact your Provider Relations representative.
