

Healthy Blue

Provider Bulletin

November 2020

Delegated credentialing

Starting January 1, 2021, Healthy Blue will begin credentialing providers. In order to align with our standards, all providers contracted under a Tax Identification Number (TIN), which is covered by a delegated credentialing agreement, must be credentialed under that agreement. We will not accept a submitted credentialing application or change from any entity or practitioner unless received directly from the delegated credentialing authority.

Providers not covered under a delegated credentialing agreement may continue to submit credentialing applications and changes independently through Availity* at <https://www.availity.com/healthybluene>.

As a valued provider, we truly appreciate your participation in the Healthy Blue network. We look forward to our ongoing partnership to provide high-quality, cost-effective health care to the communities we serve.

If you have any further questions, please do not hesitate to contact your Provider Relations representative.

* Availity, LLC is an independent company providing administrative support services on behalf of Healthy Blue.
