

Prior authorization updates for specialty pharmacy are available

Prior authorization updates

Effective for dates of service on and after January 1, 2021, the following specialty pharmacy codes from current or new *Clinical Criteria* documents will be included in our prior authorization review process.

Please note, inclusion of NDC code on your claim will help expedite claim processing of drugs billed with a Not Otherwise Classified (NOC) code.

To access the *Clinical Criteria* document information, please click [here](#).
